LETTER RE APPLICATION DATA SHEET

Sir:

On January 18, 2002, Applicants informally filed a new application accompanied *inter alia* by an Application Data Sheet.

In the Application Data Sheet, the listed order of the inventors is incorrect. The first-listed inventor is identified as "Haruo Ishizuka", and the second-listed inventor is identified as "Masahiko Yokota". In fact, the order of the inventors should have been listed in the opposite manner.

Applicants are filing herewith a Response to Notice to File Missing Parts of Nonprovisional Application (the "Notice"). In the copy of the Notice, the incorrectly first-listed inventor, i.e., Haruo Ishizuka, is identified as the "First Named Applicant". A copy of the Notice is being filed herewith, wherein the First Named Applicant is correctly identified in red ink as --Masahiko Yokota--. Applicants also are submitting a Combined

Declaration and Power of Attorney for Patent Application in which "Masahiko Yokota" is listed as the first-named inventor.

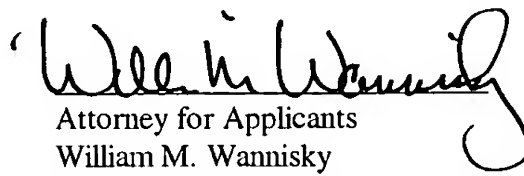

In addition, Applicants are submitting a Transmittal of Documents for Recordation Patents Only, Form-PTO-1595, an executed Assignment, and an Information Disclosure Statement. The first-named inventor is correctly identified in all of the documents and in the caption of the transmittal documents associated therewith.

Applicants respectfully request that the United States Patent and Trademark Office correct any records, which incorrectly indicate the listed order of the inventors.

Favorable consideration is earnestly solicited.

Applicants undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,

Attorney for Applicants
